ARTICLE X RETIREE MEDICAL BENEFITS

Section A. RETIREE HEALTH - EMPLOYEES HIRED BEFORE JULY 1, 2011

1. Tier II Retirees. During the term of this Agreement, for employees hired before July 1, 2011 and retiring from the City on or after January 1, 2012 ("Tier II Retirees"), the City agrees to provide a premium reimbursement to the retiree for the purpose of purchasing health coverage through CalPERS for the Tier II Retiree and his/her spouse, in an amount not to exceed the following rates: Single - **\$656**; Employee+Spouse - **\$1,141** for eligible retirees from the classifications represented by this Agreement. The Premium Payment shall be payable in the following form: (1) PEMHCA Minimum contribution payable directly to CalPERS, and (2) a reimbursement to the Tier II Retiree equal to difference between the cost of plan in which the Tier II Retiree enrolls, subject to the foregoing cap, and the Retiree Minimum Contribution ("Reimbursement"). If a retiree enrolls in a more expensive plan, he/she will be responsible for payment of any premium in excess of the capped amount. The Reimbursement shall cease for the Tier II Retiree upon eligibility for Medicare coverage, and the Reimbursement shall cease for the spouse upon eligibility for Medicare coverage, or after 15 years, whichever occurs first.

Tier II Retirees must be "eligible retirees" in order to receive the benefits described in this paragraph.

2. An "eligible retiree" is a sworn unit member who retires on a service, disability, or industrial disability retirement and has one thousand (1,000) hours of accumulated sick leave at the date of retirement. An employee who has fewer than one thousand (1,000) hours of accumulated sick leave at the date of retirement may become eligible for coverage for the employee and spouse health insurance premium by paying the City an amount equal to his/her daily pay rate at the time of retirement times the number of days needed to meet the one thousand (1,000) hours of accumulated sick leave requirement. In addition, the eligible employee must apply prior to retirement for such coverage through the City's Human Resources Division. The Association shall notify the City's Human Resources Division in the event of the death of a retired member. There are three (3) conditions for employees to be eligible to exercise this buyback provision.
 - a. The employee must be at least 50 years old;
 - b. The employee must have worked full-time continuously for the City of Arcadia for a minimum of 15 years; and
 - c. The employee is limited to purchasing a maximum of 350 hours of sick leave; provided, however, upon verification of information

from a qualified medical provider that an employee has substantially depleted the employee's sick leave accrual due to a an absence or absences caused by a serious illness or injury suffered by the employee or a family dependent living in the employee's household, this purchase limitation of 350 hours will be excused.

3. In order to be eligible for retiree health coverage, the employee, and if applicable, the employee's spouse, must be enrolled in a City-sponsored health plan as of the retiree's last day of work and maintain eligibility to continue in the CalPERS Health Program as stipulated by the Health Program.
4. In addition, the eligible employee must apply prior to retirement for such coverage through the City's Human Resources Division. The Association shall notify the City's Human Resources Division in the event of the death of a retired member.

If the premium cost of the health and dental plans in which an employee enrolls exceeds the City's benefit contribution, the employee shall pay through payroll deduction the difference between the monthly premium and the amount contributed by the City. The employee shall forfeit any balance should the City's contribution exceed the cost of the premiums.

The employee's exercise of the option to use the difference toward dependent health coverage is subject to the conditions controlling enrollment periods and eligibility established by the respective plans or carriers.

Dependent enrollment will require proof of eligibility for dependent status including social security number, marriage, birth and/or adoption certificates.

- 4. Life Insurance: The City shall provide a \$25,000 Life & AD&D benefit for eligible employees.

ARTICLE XIII EMPLOYEE PHYSICALS

Unit members shall receive a comprehensive physical examination during the term of this agreement.

The City shall establish the terms of the physical examinations. Examinations shall be on an annual basis for sworn members of classifications represented by this agreement who are 40 years of age or over. Examinations shall be on a biennial basis for sworn members of classifications represented by this agreement who are under 40 years of age. Once those terms have been established by the City, neither party shall be prevented from seeking, through the meet and confer process, changes to become effective at the expiration of this agreement.

ARTICLE XIV UNIFORMS

Section A. For the classifications of *Police Officer* and *Police Sergeant*, in addition to the City's initial uniform issue, there shall be a Uniform Replacement Program for the following items: shirts, trousers, and shoes.

Section B. The program shall be administered by, and at the direction of the City, for the purpose of providing replacement of worn items and items damaged in the line of duty only.

Section C. The *Police Chief* or designee shall meet with APOA representatives for the purpose of identifying uniform and safety related equipment that may be purchased through the Department's Uniform Replacement Program. A list of optional items will be developed that represented employees may purchase.

Each *Police Officer* and *Police Sergeant* shall be provided a **\$750.00** check at the beginning of each fiscal year to spend on optional safety equipment, shoes and boots. Any safety equipment reimbursement made during the year shall be deducted from this allowance. New employees who start mid-year shall have this allowance pro-rated quarterly based on their date of hire.

Section D. Detectives, Community and Youth Services Personnel and the individual assigned to Personnel and Training may be reimbursed up to a maximum of **\$300** during the first consecutive 12 months of the assignment and during each successive 12 months of the assignment each for the purchase of sports coat, slacks, dress shirts, ties and suits in lieu of the shirt and trousers uniform replacement program referred to in Section A above. Reimbursement shall be provided after the employee provides the Department with original proof of purchase receipts. All employees shall maintain a regular uniform in the event that duties require it.

The reimbursement(s) shall not be considered as salary or compensation and shall not be taken into consideration in computing overtime, or payment for leave of any kind or for the computation of any supplemental benefit.

ARTICLE XV TUITION REIMBURSEMENT

Employees shall be eligible for tuition advancement or reimbursement who have completed at least one probationary period in the Classified Service, or one year of continuous service if employment is "at-will," subject to the conditions below. To qualify for tuition advancement/reimbursement, a Tuition Loan/ Reimbursement Form must be submitted and pre-approved by the employee's Department Head and Human Resources Administrator, before the course(s) begin.

Tuition loan or reimbursement shall only be for courses, specialized training, or degree programs "job-related" that are directly related to the employee's position as determined by the *City Manager* or designee.

The Tuition Loan/Reimbursement Program will operate on a fiscal year basis (July 1 through June 30) and shall be subject to the availability of funds as determined by the City. The maximum loan or reimbursement amount shall be **\$4,126** for undergraduate courses and **\$5,062** for graduate courses. Eligible fees include tuition, on campus parking fees and textbooks. All other fees are subject to approval by the City. School supplies are not reimbursable. Permanent part-time employees shall receive one-half of the benefit.

All course work must be completed while employed by the City of Arcadia with a passing grade of "C" or equivalent when numerical score or pass/fail grade is given. If the employee either does not receive a "C" or better or for any reason does not finish the class, the advance is due and payable.

Any employee who shall voluntarily retire or terminate employment or be terminated for disciplinary cause within one year from the completion of a class or classes shall refund all tuition paid under this provision for those specific classes unless they were required to attend by the appointing power. An employee who separates employment and who received tuition advancement and did not complete a class or classes within

one (1) year from the advancement, shall refund all tuition advanced and be subject to the provisions outlined in the Advanced Tuition Participation and Loan Agreement. Employees who retire on a Disability or Industrial Disability Retirement, or are laid off shall not be required to refund tuition fees.

The City reserves the right to investigate any school and approve or disapprove it for advancement or reimbursement if such action appears warranted. Courses must be taken at an accredited education institution, which is defined as any college or university which has been accredited by a recognized government or professional accrediting body (as determined by the City). Additionally, the City reserves the right to deny any course(s), specialized training or degree programs determined by the *City Manager* to be non-job related.

ARTICLE XVI LEAVES

Section A. In accordance with the current Personnel Rules and Regulations of the City of Arcadia, all leaves for classifications represented by this agreement shall be provided for as follows:

Section B. POWER TO GRANT LEAVES

Upon the written request of an employee stating the reasons therefore, the appointing power with the approval of the *City Manager* shall have power to grant leaves of absence with or without pay subject to the following restrictions:

1. Length – leave of absence without pay may be granted for a period not to exceed one year with the exception that military leaves may be granted for the duration of a war or national emergency or as required by the Military and Veterans' code.
2. Reason – a leave of absence may be granted an employee, provided he meets all other requirements set forth in this rule, who desires to attend school or college or to enter training to improve the quality of his service, who enters military service of the United States, who is temporarily incapacitated by illness, or who presents some other reasons equally satisfactory.
3. Right to Return – the granting of a leave of absence without pay confers upon the employee the right to return to his classification before or at the expiration of his leave of absence. Therefore, a leave of absence shall be granted only to an employee who intends to return to his classification with the City.

4. Service Record – no request for leave of absence will be considered unless the employee presenting the request has a satisfactory service record.
5. An employee granted a leave of absence may be required by the appointing power or the *City Manager* to successfully pass a medical examination prior to being allowed to return to work.
6. The granting of a leave of absence of thirty days or less, with or without pay, shall not constitute an interruption of service within the meaning of this subsection. The granting of a leave of absence with or without pay of more than thirty days shall constitute an interruption of service unless, in the action granting such leave of absence, it is provided that such leave of absence shall not constitute an interruption of service.

Section C. MILITARY LEAVE

Any employee who is a member of the reserve corps of the armed forces of the United States or of the National Guard or the Navy Militia shall be entitled to a temporary military leave of absence as provided by applicable Federal law and applicable California State law.

To be eligible for paid leave for thirty (30) calendar days of active military training, an employee must have been employed by the City for a period of not less than one (1) year immediately prior to the day on which the leave of absence begins. If the employee has not been employed for a period of one year, the leave shall be granted without pay. Pay shall not exceed thirty (30) calendar days in any one (1) fiscal year.

An employee on paid military leave shall continue to accrue vacation, sick leave, seniority and/or holiday in the same manner as the employee would have, had the employee been in a work status.

To be eligible to receive the leave, an employee must submit a request in writing with a copy of his/her military orders to his/her immediate supervisor for processing.

Military and Veteran's Code §§395, 395.01(a), 564 and 566 set forth provisions for state military reserve personnel employed by public employers are statutorily entitled to up to 180 days of temporary military leave for active duty activities with up to 30 days of paid military leave each fiscal year. When placed on state active duty this is ordered active duty, which entitles the employee to paid military leave.

State military reserve personnel also generally have a right to extended leaves of absence and a right to re-employment after lengthy periods of

ordered duty when called to active duty in certain emergency circumstances and public employees are entitled to receive their pay from their public employer for the first thirty (30) days of that period of active military and veteran's code §§143, 146, 395, 395.05, 395.06 and 566.

Before leaving for an extended leave (181 days or more), the employee must notify the city of his or her intention to return to work upon the completion of the active duty service. Employees will have ninety (90) days from completion of extended active service to report back to work to resume their duties, must submit to the City a copy of the honorable discharge papers, and pass a medical exam.

Additional military leave provisions were adopted by Council on November 20, 2001, in Resolution 6268. For military leave covered by this Resolution, the City will maintain the difference between the employee's City salary and benefits of the employee while on active military duty.

Although a military leave of absence is not considered a break in service in relation to seniority, if the employee wishes to have their extended military service time credited toward CalPERS, the employee may buy back credit for their leave of absence for active military service through CalPERS as CalPERS has determined that payments while on such service are not reportable for retirement purposes.

This leave provision does not apply to employees who are drafted or receive orders to military duty for periods longer than 180 calendar days. Employee's rights to return to vacant positions after an absence that exceeds 180 calendar days shall be governed by the applicable federal and state law.

Section D. VACATION LEAVE

Employees in the classifications of *Police Officer* and *Police Sergeant*, with the exception of temporary appointments, shall accumulate vacation: beginning with the first full pay period of employment at the rate of 4.61 hours per pay period during the first five years of continuous full time employment with the City; at the rate of 6.15 hours per pay period after the completion of five years of continuous full time employment with the City; at the rate of 6.77 hours per pay period after the completion of ten years of continuous full time employment with the City; and at the rate of 7.69 hours per pay period after the completion of fifteen years of continuous full time employment with the City.

Vacation may not be accumulated beyond the amount accumulable for a sixty-five (65) pay period basis. Once an employee has accumulated this amount, no more vacation will be accrued by the employee until the employee's accrual has been reduced below this maximum amount.

When through work circumstances and needs of the job, an employee has been unable to utilize vacation time and this has not been a pattern or past practice for that employee, the *City Manager* for good cause may approve excess accumulated vacation, provided the employee reduces the total below the allowable maximum within six (6) months.

An employee who has previously requested and was granted approval of vacation leave for use during the last three (3) months of the calendar year and is unable to utilize such leave because of the City's cancellation of leave shall be allowed to carry over the excess leave time into the next three (3) months of the new calendar year, if rescheduling of the vacation leave is not possible.

Upon termination, vacation used shall be pro-rated against vacation earned. Every City employee who leaves the City employ for any reason shall be granted all accumulated vacation or shall be paid therefore at his/her rate of compensation applicable at the time he/she leaves the City employ. If an employee works fifty percent (50%) of the final pay period, the employee shall receive credit for that pay period's vacation. If an employee works less than fifty percent (50%) of the pay period, the employee accrues nothing.

Employees may elect to sell back vacation during a calendar year equal to the amount of vacation taken during the year, by the date of the request, not to exceed a maximum of 80 hours in the calendar year, at the regular rate of pay used for purposes of the Fair Labor Standards Act at the time the employee request.

Section E. SICK LEAVE

All employees in classifications represented by this agreement with the exception of temporary appointments, shall accrue sick leave beginning with the first full pay period of employment on the basis of 3.69 hours for each pay period of service completed with the City. Sworn employees may accumulate up to a maximum of 1,600 hours sick leave.

Sick leave means authorized absence from duty of an employee who is temporarily disabled and unable to work due to a medical condition or due to a scheduled medical or dental appointment during regular working hours. Every effort shall be made to schedule appointments during non-working hours.

Sick leave may be used by an employee when their attendance upon a member of the employee's family dependent who is seriously ill and requiring the care and attendance of such employee. Sick leave may also be used when the employee's family dependent requires the employee's

presence at the dependents medical or dental appointment during regular working hours. Every effort shall be made to schedule appointments during non-working hours.

Family dependents shall include only dependents currently residing in the employee's household or the employee's minor children.

Sick leave may be used by an employee in accordance with paragraph 2 and 3 above. Any employee when off-duty as a result of personal or family illness shall report the fact immediately to his supervisor, or to the officer then in charge at the department, giving the nature of the illness or circumstances relative to his absence.

While absent from duty because of sickness or disability, the Officer shall remain at their residence or place of confinement unless otherwise authorized by a physician or his supervisor.

The term "immediately" means that the employee or someone acting for the employee shall notify the department as soon as it becomes apparent that the employee will not be able to report for duty.

An employee represented by this agreement, with the exception of temporary appointments, may be granted a leave of absence with pay upon approval of the *Police Chief* and the *City Manager* at the time of death, or where death appears imminent, in the immediate family, defined as the spouse, the employee's or employee's spouse's mother, stepmother or father, stepfather, brother or sister, child or stepchild, grandparents, grandchildren, or any relative of the employee or employee's spouse residing in the same household. Such leave, up to a maximum of three (3) working days at one time, shall not be charged against sick or other leave. If over three (3) working days of such leave is granted, at one time, that amount over three (3) days shall be charged against sick or other leave.

The *Police Chief* and the *City Manager* may require evidence of the reason for any employee's absence during the time for which sick leave is requested. If the employee fails to provide such evidence as required by the Police Department and within the time limit specified by the Department, the absence will be charged to leave without pay.

The *Police Chief* and *City Manager* may deny or revoke sick leave if the illness or injury for which it is taken is caused or substantially aggravated by compensated outside employment.

If an employee works fifty percent (50%) of the final pay period, the employee shall receive credit for that pay period's sick leave. If an

employee works less than fifty percent (50%) of the pay period, the employee accrues nothing.

Section F. WORKERS' COMPENSATION

In those instances where an employee of the City of Arcadia is injured on duty and the injury is so recognized by the Workers' Compensation Act by the City of Arcadia or the Workers' Compensation Appeals Board, such employee shall be paid a combination of salary and Workers' Compensation equal to his regular salary rate for such time as he is absent from duty because of such injury up to a maximum of one year from and after date of such injury. Lost time due to an injury on duty shall not be charged against an employee's accumulated sick leave.

Section G. HOLIDAYS

Employees in the classifications of Police Officer and Police Sergeant shall receive eight (8) hours of "Holiday-In-Lieu-Pay" for the following holidays:

- | | |
|----------------------------|------------------|
| New Year's Day | Labor Day |
| Martin Luther King Jr. Day | Admission Day |
| Washington's Birthday | Veteran's Day |
| Memorial Day | Thanksgiving Day |
| Independence Day | Christmas Day |

The 80 hours of annual Holiday-In-Lieu Pay must be cashed out (not to be used for time off) prior to the end of each fiscal year, and is intended as additional compensation for employees. The cashed out holiday pay shall be paid out at the employee's regular rate of pay used for the purposes of the Fair Labor Standards Act at the time of the employee's request.

Section H. JURY LEAVE

When a City employee is called or required to serve as a juror, attendance shall be deemed a leave of absence with full pay not to exceed 10 days per year. The employee shall remit to the City all fees received except mileage.

Section I. WITNESS LEAVE

An employee who is subpoenaed or required to appear in Court as a witness shall be deemed to be on a leave of absence. With approval of the appointing power and *City Manager*, the employee may be granted leave with pay during the required absence. The employee shall remit to the City fees received except mileage.

A paid leave of absence shall not be granted for time spent in Court on personal cases.

Section J. UNAUTHORIZED ABSENCE

Unauthorized leaves of absence are cause for immediate dismissal.

ARTICLE XVII PROBATIONARY PERIOD

Section A. The probationary period is part of the examination process. It is a work-test period during which the employee's performance and conduct on the job are evaluated to determine whether or not the employee is fully qualified for permanent appointment.

During the probationary period, a probationer may be released, or demoted if permanent status is held in a lower classification, without the right of appeal, if the appointing power deems the probationer unfit or unsatisfactory for service.

When a provisional appointment is made to a probationary position and subsequently the appointee is appointed to the position as a probationary employee, with no time interval between the provisional and probationary appointment, the "employment date" as herein defined, shall be the date first appointed on a provisional basis.

Section B. All eligible candidates appointed to a position from an open competitive examination and who are not currently employed in a permanent position shall be on probation for eighteen months before attaining permanent status.

Section C. Eligible candidates appointed from a promotional list shall be on probation for twelve months before attaining permanent status.

ARTICLE XVIII RESPONSE TIME

Due to the emergency requirements of prompt response time, all sworn members of the unit must live within a fifty (50) mile radius of the Police Station.

ARTICLE XIX PATROL WORK SCHEDULE AND TRAINING SCHEDULE

Officers in patrol will be assigned a 3/12 work schedule. Police management and APOA representatives shall meet as needed to review and make adjustments to ensure efficient and effective patrol operations. Final approval of all adjustments to the 3/12 work schedule rests with the *Police Chief*.

ARTICLE XX UTILIZATION OF RESERVE POLICE OFFICERS

The City of Arcadia and the Arcadia Police Officers' Association (APOA) agree to the utilization of reserve police officers in specified circumstances to augment staffing needs. The assignment of single-person reserve officers to patrol, detective, race track posts, movie details, or outside reimbursable assignments would only be made once regular officers have had an opportunity per department practice to voluntarily sign-up for these details. Prior to a force-hire situation, a qualified reserve officer may be called to work the detail. Should a reserve officer not be available, the normal force hire situation would apply to regular officers.

1. The hearing need not be conducted in accordance with technical rules relating to evidence and witnesses but hearings shall be conducted in a manner most conducive to determination of the truth.
2. Any relevant evidence may be admitted if it is the type of evidence on which responsible persons are accustomed to rely in the conduct of serious affairs, regardless of the existence of any common law or statutory rules which might make improper the admission of such evidence over objection in civil actions.
3. Hearsay evidence may be used for the purpose of supplementing or explaining any direct evidence that shall not be sufficient in itself to support a finding unless it would be admissible over objection in civil actions.
4. The rules dealing with privileges shall be effective to the same extent that they are now or hereafter may be recognized in civil actions.

The appeal hearing shall be set not less than twenty (20) working days nor more than sixty (60) working days from the date of the filing of the appeal. - c. Hearsay evidence may be used for the purpose of supplementing or explaining any direct evidence that shall not be sufficient in itself to support a finding unless it would be admissible over objection in civil actions.

- d. The rules dealing with privileges shall be effective to the same extent that they are now or hereafter may be recognized in civil actions.

12. Procedure for the Parties

The party representing the department and the party representing the employee will address their remarks, including objections, to the Chair of the Human Resources Commission. Objections may be ruled upon summarily or argument may be permitted. The Chair reserves the right to terminate argument at any time and issue a ruling regarding an objection or any other matter, and thereafter the representative shall continue with the presentation of their case.

13. Right to Control Proceedings

The Commission will consider all oral and documentary evidence, the credibility of witnesses, and other appropriate factors in reaching their decision. The Commission may deliberate at the close of the hearing in closed session or at a later fixed date and time not to exceed ten (10) working days, and with the agreement of both the Commission and the

appealing party (employee), the deliberation period may be extended for up to an additional ten (10) working days.

16. Written Findings and Recommended Decision

The Human Resources Commission shall not be polled as to their decision by the grievant or the grievant's counsel.

17. Recommendation to the City Manager

The decision of the Human Resources Commission is advisory to the *City Manager*. The proposed decision shall be filed with the charged employee, the department head and the *City Manager*, and shall set forth all findings and conclusions. If a dismissal is not sustained, the proposed decision shall set forth a recommended effective date the employee is to be reinstated.

Either the employee or the department may file a written appeal to the proposed decision, findings and conclusions of the Commission within ten (10) working days of the decision by filing exceptions thereto with the *Human Resources Administrator*.

The party desiring to contest the recommended decision of the Commission may request a transcript for review by the *City Manager* within ten (10) working days of the Commission's decision. If the appealing party requests a transcript, that party shall pay the cost of the transcript.

LETTER OF AGREEMENT

BETWEEN

THE CITY OF ARCADIA

AND

ARCADIA POLICE OFFICERS' ASSOCIATION

The City of Arcadia and the Arcadia Police Officers' Association (APOA) agree to amend Article XVI "Leaves" of the 2014-18 APOA MOU by amending Section E. Sick Leave as follows:

Section E. SICK LEAVE

All employees in classifications represented by this agreement with the exception of temporary appointments, shall accrue paid sick leave beginning with the first full pay period of employment on the basis of 3.693 hours for each pay period of service completed with the City or 1 hour for every 30 hours worked, whichever is greater. The maximum accrual per year is 96 hours.

Paid sick leave will carry over each year of employment. Sworn employees may accumulate up to a maximum of 1,600 hours sick leave.

Sick leave means paid authorized absence from duty of an employee due to one of the following:

- Diagnosis, care, or treatment of an existing health condition of, or preventive care for, an employee;
- Diagnosis, care, or treatment of an existing health condition of, or preventive care, for an employee's family member includes parent (biological, adoptive, foster parent, step parent, legal guardian or a person who stood loco parentis when employee was a child), child (biological, adoptive, foster child, step child, legal ward, or a child to whom the employee stands loco parentis regardless of age or dependency status), spouse, registered domestic partner, parent-in-law, sibling, grandchild or grandparent; or
- For an employee who is a victim of domestic violence, sexual assault, or stalking for the purposes described in Labor Code sections 230(c) and 230.1(a).

An employee will make a reasonable effort to schedule medical appointments during non-working hours.

Kin Care Leave: In addition to the prescribed purposes of paid sick leave in paragraph 3, an employee may use up to one-half of his/her annual accrual of sick leave to care for and attend to a family member who is ill. Every effort shall be made to schedule medical appointments for an ill family member during non-working hours. Family members for purposes of Kin Care leave shall include parent (biological, adoptive, foster parent, step parent, or legal guardian), child (biological, adoptive, foster child, step child, legal ward, a child of a registered domestic partner, or a child to whom the employee stands loco parentis regardless of age or dependency), spouse, or registered domestic partner.

Sick leave may be used by an employee in accordance with paragraph 3 and 4 above. The minimum increment of use of paid sick leave shall be 30 (thirty) minutes. Any employee when off-duty as a result of personal or family illness shall report the fact immediately to his supervisor, or to the officer then in charge at the department, giving the nature of the illness or circumstances relative to his absence.

The term "immediately" means that the employee or someone acting for the employee shall notify the department as soon as it becomes apparent that the employee will not be able to report for duty.

An employee represented by this agreement, with the exception of temporary appointments, may be granted a leave of absence with pay upon approval of the *Police Chief* and the *City Manager* at the time of death, or where death appears imminent, in the immediate family, defined as the spouse, the employee's or employee's spouse's mother, stepmother or father, stepfather, brother or sister, child or stepchild, grandparents, grandchildren, or any relative of the employee or employee's spouse residing in the same household. Such leave, up to a maximum of three (3) working days at one time, shall not be charged against sick or other leave. If over three (3) working days of such leave is granted, at one time, that amount over three (3) days shall be charged against sick or other leave.

If paid sick leave is taken for the diagnosis, care, or treatment of an existing health condition of, or preventative care of an employee or an employee's family member, the Police Chief and the City Manager may require an employee to provide medical certification or evidence of the reason for a sick leave absence that occurs after the employee has used the first 24 hours or 3 days, whichever is greater depending on the employee's regular scheduled work day, of paid sick leave in a year of employment. If the employee fails to provide such evidence as required by

the Police Department and within the time limit specified by the Department, the absence will be charged to leave without pay.

The *Police Chief* and *City Manager* may discipline an employee if sick leave is used for an inappropriate purpose.

If an employee works in their final pay period, the employee shall receive credit for that pay period's sick leave based on the following:

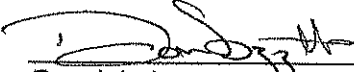

0 to 29 hours:	No accrual
30 to 39 hours:	1 hour
40 and above:	3.693 hours

Unused sick leave is not cashed out upon termination, resignation, retirement, or other separation from employment. Unused sick leave may be converted to retirement service credits, as may be permitted under applicable retirement system laws and regulations.

If an employee separates from employment with the City and is rehired within one year from separation, up to 48 hours or 6 days, whichever is greater depending on the employee's regular scheduled work day, of accrued and unused sick leave will be reinstated.

Reimbursement shall be provided after the employee provides the Department with original proof of purchase receipts. All employees shall maintain a regular uniform in the event that duties require it.

The reimbursement(s) shall not be considered as salary or compensation and shall not be taken into consideration in computing overtime, or payment for leave of any kind or for the computation of any supplemental benefit and will not have the value of the reimbursement reported as special compensation to CalPERS.
